

## University of Nebraska – Lincoln

### American Rescue Plan (ARP) Reporting Requirements for Quarter Ending: March 31, 2022

---

#### ARP Background

The Higher Education Emergency Relief Fund III (HEERF III) is authorized by the American Rescue Plan (ARP), Public Law 117-2, signed into law on March 11, 2021, providing \$39.6 billion in support to institutions of higher education to serve students and ensure learning continues during the COVID-19 pandemic.

ARP funds are in addition to funds authorized by the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA), Public Law 116-260 and the Coronavirus Aid, Recovery, and Economic Security (CARES) Act, Public Law 116-136. Emergency funds available to institutions and their students under all emergency funds total \$76.2 billion.

The ARP has two new required uses of HEERF III Institutional Portion grant funds for public and private nonprofit institutions in which, if the Institutional Portion is not used entirely for emergency financial grants to students, a portion of funds must be used to: (a) implement evidence-based practices to monitor and suppress coronavirus in accordance with public health guidelines; and (b) conduct direct outreach to financial aid applicants about the opportunity to receive a financial aid adjustment due to the recent unemployment of a family member or independent student, or other circumstances, described in section 479A of the HEA.

The ARP provides a new formula for the amount of (a)(1) funds that must be used for financial aid grants to students. This amount is represented in the “Student Aid Portion” column listed on the ARP (a)(1) allocation table and explained in the accompanying ARP (a)(1) methodology document.

Eligibility To Receive Emergency Financial Aid Grants to Students Under HEERF (May 14, 2021, 86 FR 26608) (final rule), the term “student,” for purposes of the phrases “grants to students,” “emergency financial aid grants to students,” and “financial aid grants to students” as used in the HEERF programs, is now defined as any individual who is or was enrolled (as defined in 34 CFR § 668.2) at an eligible institution (as defined in 34 CFR § 600.2) on or after March 13, 2020, the date of declaration of the national emergency due to the coronavirus (85 FR 15337). Thus, students are no longer required to be eligible for Title IV student financial aid in order to receive HEERF grants to students.

#### Student Allocation at the University of Nebraska-Lincoln and Nebraska College of Technical Agriculture

Institutions did not need to apply if received CARES Act funding. On June 4, 2021, Nebraska received the award notification authorizing funding of an additional \$21,239,605.00 to award emergency grants to students at UNL and NCTA under ARP (a)(4) programs.
